I have read and understood the following:

- Except for psychotherapy notes (these notes are not included in my medical record), Family Focused Care will release all records of treatment for mental health, chemical dependency, sickle cell anemia, genetic conditions and AIDS/HIV. If I do not want these to be released, I will place a checkmark here: _____. I do not want the following records released: _____
- If I change my mind, I may write to the facility that I have authorized to release my records. This will not apply to records that have already been released.
- This form expires one year after I sign it or sooner (specify here: _____). This time period noted here may exceed one year only in certain situations specified by law.
- There may be a fee for releasing these records.
- Once the records are released, Family Focused Care cannot prevent them from being released to a third party.
- To be valid, this form must be filled out completely and signed. A copy is valid if it has not been altered.
- If I do not sign this form, I will still be treated, unless the treatment is part of a research project that requires this authorization.
